

Are you an autistic person, parent of a young autistic child, or service provider for autistic children?

If so, you may be eligible to participate in an online
Focus Group Research Study!

The Ohio State University is conducting a study to **learn more about the experiences of autistic children and their families participating in early intervention and other psychosocial therapy services.**

WHAT:

The study involves participating in a 1.5-2 hour focus group discussion with 5-8 other individuals over Zoom video conference. Participants will receive a \$20 gift card for participating.

WHO:

Participants may be **autistic adults, parent/caregivers of a young autistic children** (under 7 years), and/or **service/therapy providers for young autistic children** (under 7 years) who are

- at least 18 years old
- have access to a computer, laptop, or other electronic device with Zoom capabilities
- live in the United States

WHERE:

The study will be conducted entirely online by researchers at The Ohio State University.
